

ERA-NET Cofund Actions under Horizon 2020 and their joint calls

The ERA-NET Cofund Actions are arranged according to Horizon2020 Societal Challenge (SC) and then by start date, with those for WUR most important SCs at the top.

(ICT-AGRI under FP7 has been included, because of its importance for WUR)

ERA-NETs under Horizon2020 implement one single joint call with top up funding from the European Commission(EC). Budgets from additional joint calls (written in italics) do not include co-funding from the EC.
